

TYC LUAU

Bring the Island flavor to Tradewinds Clubhouse!!

AUGUST 15, 2009

The party will get started about 4:30 PM. Everyone will serve their appetizers and drinks at this time. We'd like everyone to wear Hawaiian-themed costumes. There will be prizes for the best costume, best appetizer and best drink. The prizes will be awarded based on how "beachy" the appetizer and

drink is presented.

This will be a potluck dinner. So please bring your main entree to grill. The fires will be ready at 5:30 and dinner will be served at 6 PM. Also please bring a side dish to share.

We are not officially charging any money for this event. However, we will ask for small donations at the door to cover the cost of prizes and decorations. Thanks so much from your hosts: Lisa DiMercurio & Tessa Peterein.
